THE ALL NEW VENDMASTER SERIES

VENDMASTER 360

The new VendMaster 360 offers innovations never before available in a soap vending machine. Fully electronic 24 volt system, multi price, modular design, even a built in bag vender, this vender has it all. It will even operate using two different credit accepting devices. Coins, Bills or Debit cards. The choice is yours.

*Cabinet dimensions: 42 1/2" W x 45 1/8" H x 11" D
Weight: 226 lbs.*
