Merry Christmas From Your Friends at C-PEC

CLICK HERE FOR A C-PEC CHRISTMAS E-CARD

We appreciate you our valued customer and wish you and your family a Merry Christmas! We appreciate the opportunity to have a role in the success of your business and are always ready to assist in that goal.

Reasons to Invest in Your Business in 2009

The economic slow down has created some attractive incentives to invest in your business in 2009. These incentives include extra equipment depreciation under section 179 of the IRS tax code, equipment sale pricing from C-PEC and an end of the year financing program.

Section 179 allows businesses to deduct the full purchase price of qualifying equipment purchased or financed during the tax year. This is a great way to upgrade equipment and lower taxable income. See http://www.section179.org/index.html for the full details. Always check with your accountant to verify that you qualify for the deduction.

C-PEC is offering sale pricing on all single load equipment including top and front load high-efficiency washers through the end of 2009. Take advantage of the sale pricing before the end of the year!

Maytag is offering attractive end of the year financing on new equipment. Pay 4.99% interest for the first 12 months and 6.49% to 7.99% on the balance of the term depending on the length of the term.
