**MAESTRO ONE-SHOT ADDITIVE FOR WET CLEANING**

WOOL • SILK • CASHMERE • RAYON • LEATHER •

LINEN • MOUTON • AND OTHER DELICATE FABRICS

An innovative cleaning solution designed specifically for use with Yamamoto WUD Series wet-cleaning machines. The unique chemistry of MAESTRO Wet-Cleaning Solution combined with the superior technology of the WUD Series machines produces a noticeably cleaner result. Automated wash cycles are designed to allow the cleaning solution to mix with water prior to adding garments. Garments are never directly exposed to untreated water. Camellia oil, a natural ingredient in MAESTRO Wet-Cleaning, Solution, coats the surface of fabrics protecting them from the damaging effects of water.

The Harmony Wet-Cleaning System allows for replacement of harsh chemicals with milder solutions eliminating hazardous waste & excessive pollution to the water, air, & soil.

\*Terms and payments subject to change depending upon credit & financial profile.
